*President's Message*

I hope everyone had a Merry Christmas and a safe and Happy New Year. I cannot believe we are now in a new year again.

I want to thank everyone that helped out at our 2019 Luncheon. From word of mouth everyone had a great time once again.

I also want to thank everyone that helped to paint the pots for the nursing home. Once again, I got there around their lunch and was able to hand out pots for Christmas to whoever was in the dining room. The rest were delivered to rooms. They were just so happy, words can't explain.

We are looking forward to another fun packed painting year with great teacher Marge has set up for us.

Looking forward to seeing you at the January meeting.

Your President - Sandy

Per Marge it is OK to send multiple registrations in one envelope **BUT** you must write a separate check to go with each registration form. It becomes too difficult for our treasurer and her to keep track. If one check is sent in it will be returned. Please remember you will not get your prep work if Marge does not receive your registration form completed with a check.

## REMEMBER:

In your travels try to take the soap, shampoo, creams, etc. when staying at a hotel/motel. These too will be donated to the Children's Home Society Transitional Program, which is for those that reach 18 years and are lost to the system. They also take any household items, pots, pans, linens, etc. Contact Marge Humphrey for further information.

Please remember to bring in your Memory Boxes. We have more so please pick up some boxed and paint them up the large one for mothers with stillborn & the small ones for Safe Space. See Kathy Van Nostrand for them.

Our Military housing is looking for donations of simple things (paper towels, toilet paper soap, shampoo, etc.) things we all take for granted. So if in your shopping travels you can pick up something bring it in and we can donate it to them. At the November meeting we will have a box to collect anything that is brought in

Painting bag for the homeless - Please remember Sandy will be bringing bags to the January meeting to be painted for the homeless. I would like everyone to come to get their bags so that we can get started on this project. It will be the only painting project we will have this year other than the memory boxes.

**Please submit your recipe to the newsletter you can earn jewels**

**RECIPE**

This is an old time favorite and I just found it in All Recipes – I remember my mom use to make this for her 6 kids' years ago it went a long way.

Preheat oven to 350 deg.

3 lb skinless, boneless, chicken breast	1 soup can of milk
1 (10.75) can condensed cream of chicken soup	1 ½ cups chicken broth
1(10.75) can condensed cream of celery soup	1 (6oz) package seasoned
cornbread stuffing mix	

Place chicken in a large saucepan full of lightly salted water. Bring to a boil, boil for about 30 min. or until chicken is cooked through (juice run clear). Remove chicken from pan, reserving broth. Cut chicken into bite size pieces and place in bottom of a 9x13 baking pan.

In a medium bowl mix together cream of chicken soup and cream of celery soup. Mix milk with the soups. Pour mixture over chicken. In a small bowl combine stuffing and broth, mix together and spoon mixture over casserole.

Bake in preheated oven for 45 min

Reynolds Foil can be used to keep food moist and cook it evenly and makes clean up easier

Serve over Egg Noodles YUMMMMMMMMM
